The company demonstrates a strong overall performance

The North American Enabling Technology Leadership Award in the QMS market for life sciences industry is awarded to IQVIA.

IQVIA's quality consulting services prove to be one of its best value propositions as they convert the company into not just a provider, but a trusted business partner.

The company's ability to accelerate the time-to-market, scale to meet changing market demands, and reduce quality costs and risks further enhance the customer value proposition.

- Sankara Narayanan, Industry Principal

In the half-century since its founding, Frost & Sullivan has become a widely recognized leader in the growth consulting industry - A Global Growth Partnership Company.

Best Practices Award Recognition

Best Practices Awards recognize companies demonstrating outstanding achievement and superior performance. The Enabling Technology Leadership Award recognizes the company that applies its technology in new ways to improve existing products and services and elevate the customer experience.
