The company demonstrates a strong overall performance

Augury, a leader in industrial analytics solutions, overcomes challenges in digital transformation with a customer-centric approach and best practice implementation. Their comprehensive solutions portfolio, powered by purpose-built AI and a vast data library, addresses integration, cost, and digital immaturity concerns. Augury's close collaboration with customers, from initial interaction to regular business reviews, ensures improved value and success metrics.

Recognized for their strong performance, Augury receives the 2023 Global Company of the Year Award, solidifying their position as an innovator in AI-driven solutions for the industrial sector.

- Sebastián Trolli,
Senior Industry Analyst, Industrial Technologies

Best Practices Award Recognition

Best Practices Awards recognize companies demonstrating outstanding achievement and superior performance. The Company of the Year Award is its top honor and recognizes the market participant that exemplifies visionary innovation, market-leading performance, and unmatched customer care.

In the half-century since its founding, Frost & Sullivan has become a widely recognized leader in the growth consulting industry - A Global Growth Partnership Company.
